Adding evidences in samiksha

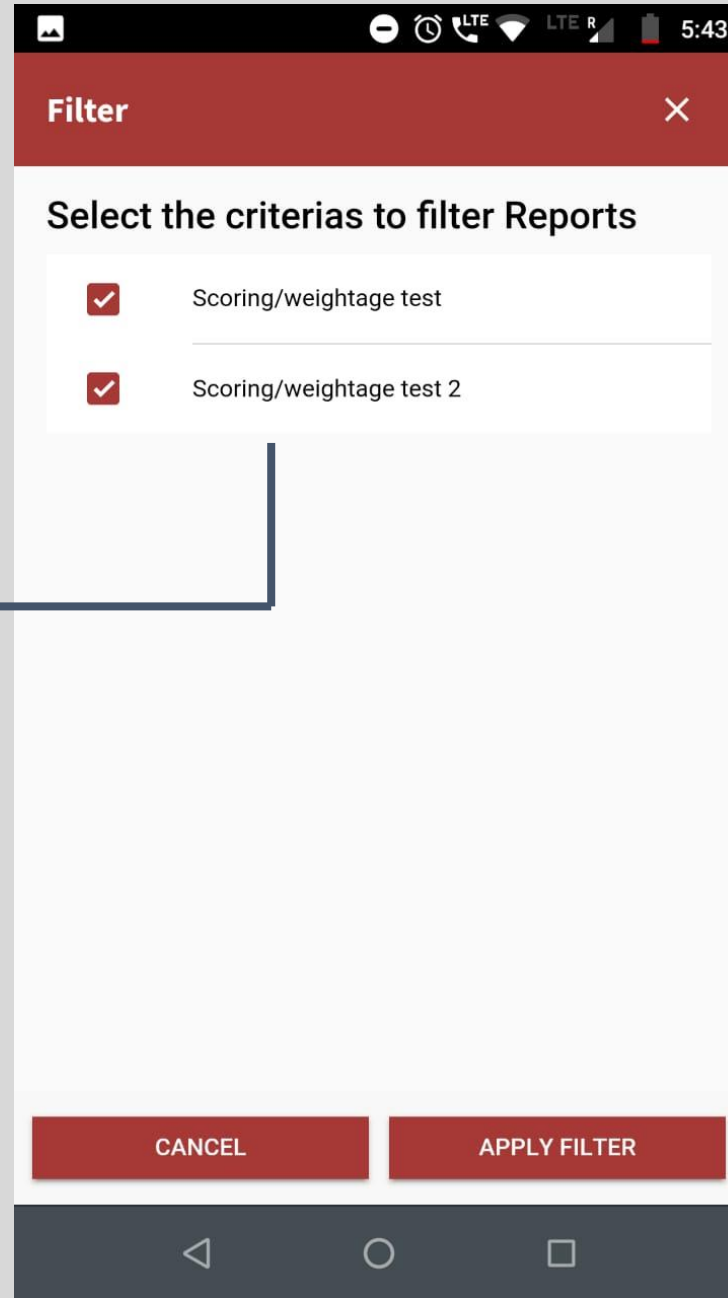

The Images added will be seen like this in observations reports

2.

Criteria wise reports

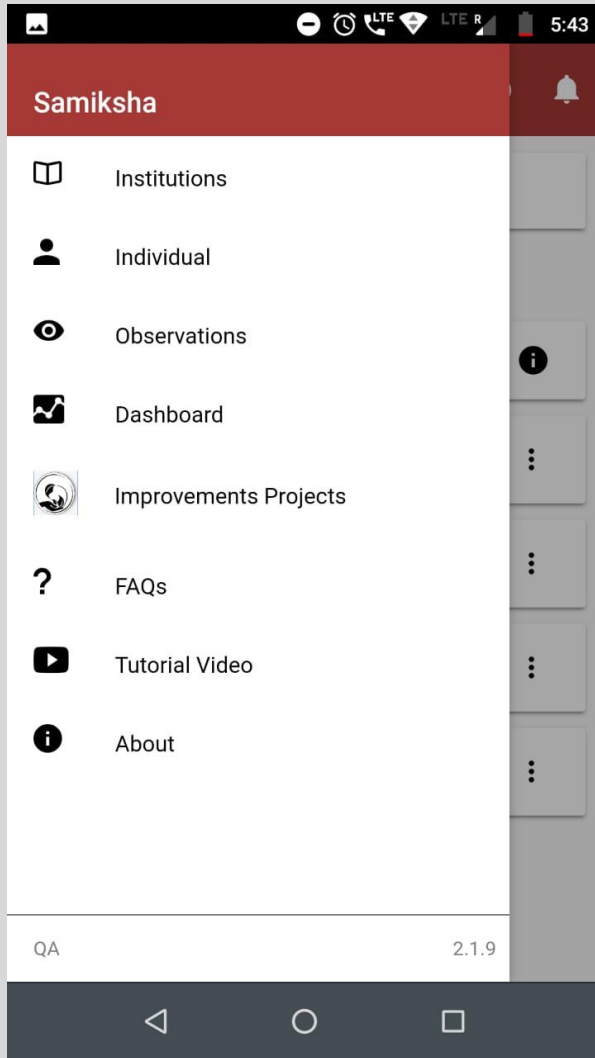

The users will have the choice to see reports question wise and criteria wise. Users can filter the criterias or questions and see the reports likewise.

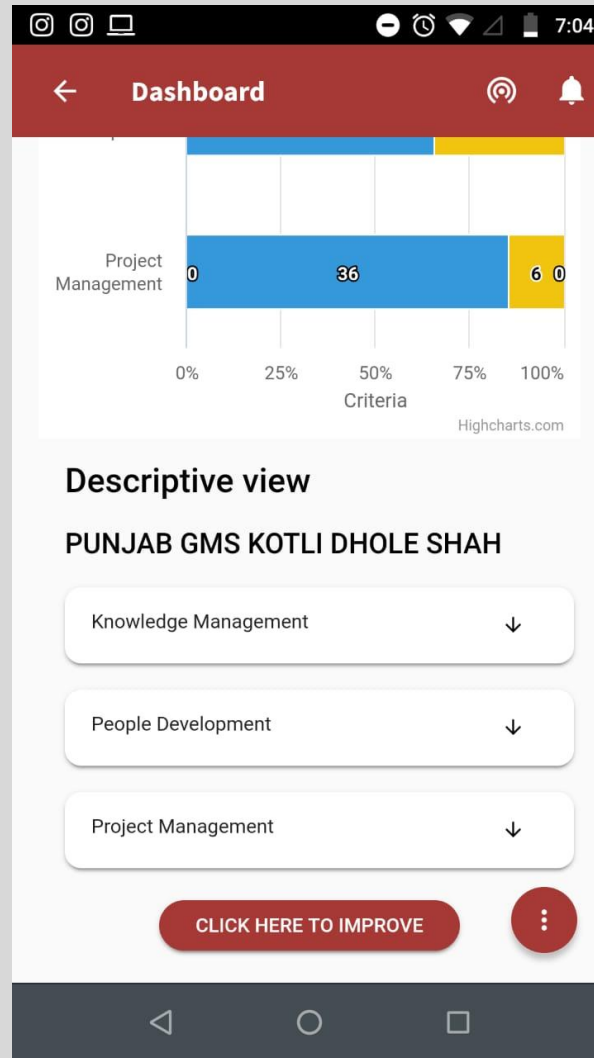

3.

IMP suggestion in Samiksha

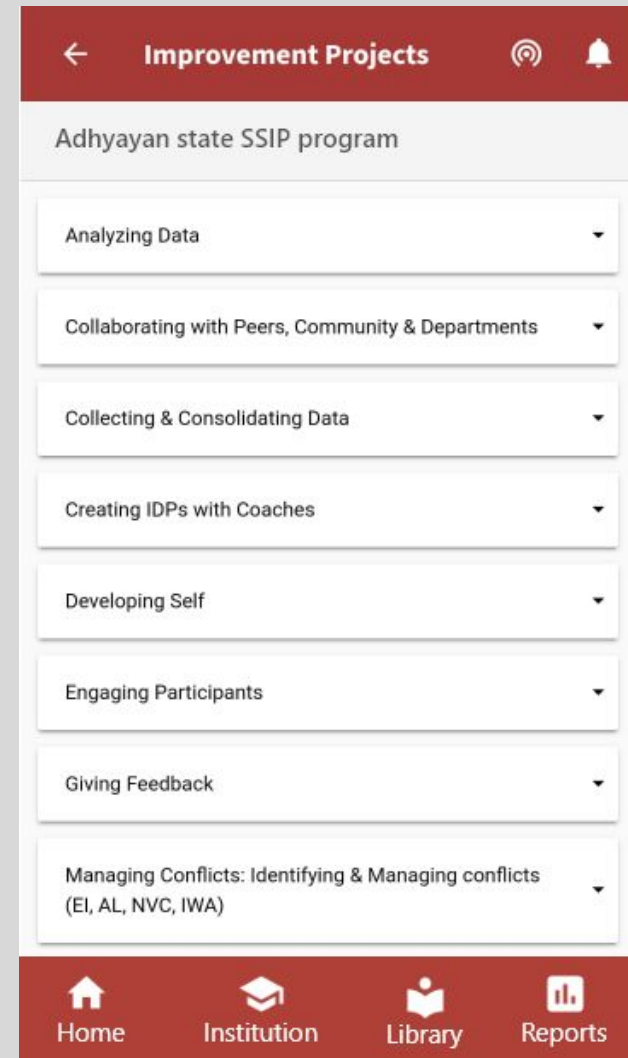

Users can access IMP suggestions from the menu bar [Here](#) is the link for the data template

And by clicking on this option at the end of the reports

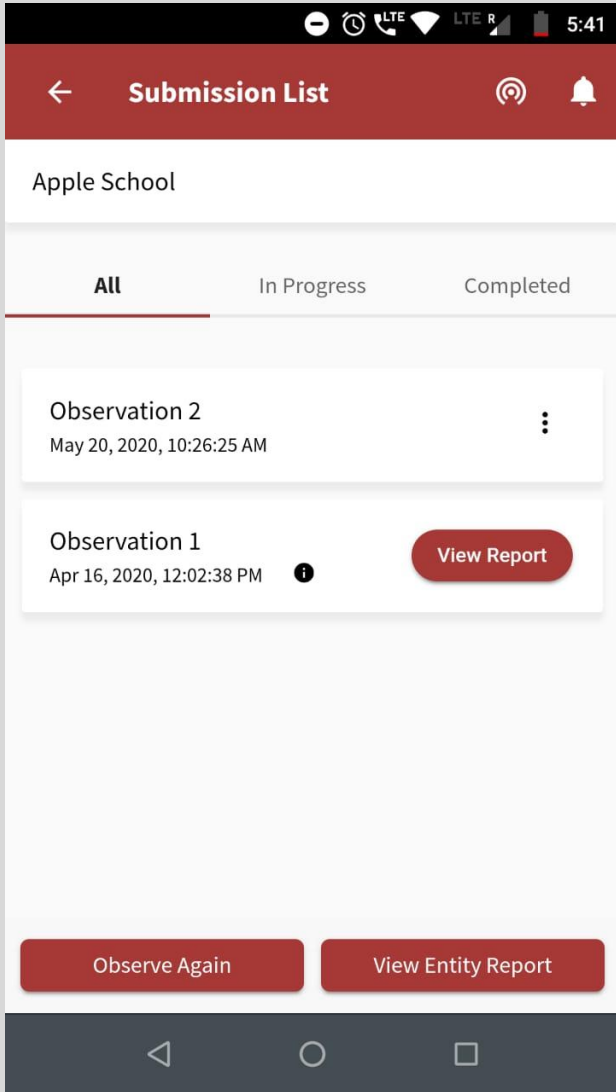

Users will see the list of criterias and as they click on it, they will see the improvement projects attached to them.

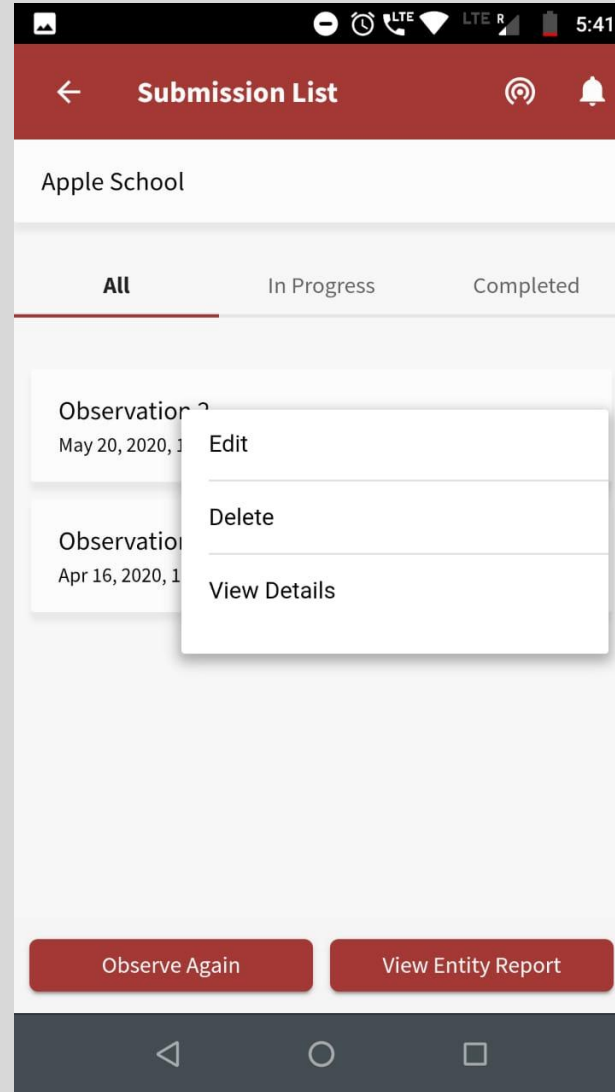

4.

Submission date in observation instances

\_\_\_\_\_.

To see the details of Instances that are not submitted, users can click on the three dots, for the submitted instances, on the info icon

They can click on view details, as shown in the screen

The details will be shown like this

# Thank You
